CROWN WORKS
BURTON

CRAFTED BY TRADITION

Burton-Upon-Trent is a market town in the county of Staffordshire, it's internationally known as the capital of British brewing.

A classic example of the mid- 19th century industrial boomtown, renowned for the quality of its fine ales and world-famous brewing helped it develop into the premier brewing centre of the Victorian age. The town landscape is now a treasure trove of industrial-scale breweries, malt- houses and ancillary buildings standing alongside grand Georgian townhouses.

L A M O N T & C O

A modern dining room interior featuring a round white table with a black pedestal base, surrounded by four orange upholstered chairs with black legs. A large, gold, dome-shaped pendant light hangs above the table. In the background, a kitchen area with light wood cabinetry and a white countertop is visible. To the right, a wooden shelving unit holds various decorative items, including potted plants and a small table with a lamp. The floor is covered in light-colored wood-look planks.

QUALITY OF LIFE

EASY DOES IT

Burton has a vast selection of popular retail outlets, eateries, cafes bars and restaurants, many of these set beside the Trent and Mersey canal, which runs majestically through the town.

Due to the local employment base, unemployment rates and crime rates are unusually low against the UK average. Having carved out a reputation as a thriving commercial hub utilised by sectors from retail, manufacturing, legal services and more, it also benefits from a strong sense of community spirit. This all providing a great quality of local life, earning Burton a top-three town ranking in the UK.
